November 17, 2023

ROLYN C. DAGUIL, PHD  
University President

Sir:

Academic greetings!

I am writing to formally request an excuse for the attendance of the students at the upcoming Caraga Startup Week Pitching Competition Challenge scheduled to take place on November 21-24, 2023.

This student is among the Top 15 finalists and to further enhance their entrepreneurial skills and prepare for the final pitching competition, we have organized a 3-day training and workshop in Innovation and Startup. The training will take place from November 21 to November 23, 2023. This program aims to provide valuable insights, mentorship, and networking opportunities with industry experts, allowing them to refine their pitch and business strategies.

The final pitching competition is scheduled for November 24, 2023. This event will be a great platform to showcase innovative ideas and entrepreneurial spirit.

We also selected students as our working committee for the said event. Their expertise and knowledge will be very beneficial to this event's success. We anticipate that their involvement will not only contribute to the event's success but also provide them with an opportunity to network with other professionals in the field.

I have attached the list of participants and students who will serve as working committee members for the said event. We are hoping for your approval of this request. Thank you for your usual support.

Have a nice day!

Sincerely,

  
**MELBERT R. BONOTAN, MSc.**  
Director, Navigatu TBI
